

Aberlady Easter Egg Trail
Friday 2nd April to Monday 5th April

Hidden around Aberlady are 22 wooden eggs beautifully decorated by volunteers from the Aberlady Helpers group. These may be in people's gardens, in their windows, or in a public space. All eggs should be visible from the pavement with no need to enter people's property.

Once you have found the egg, put it's corresponding number on the map. When you have all 22 take a picture of the completed map and send it to Samantha Robertson on 07920 779 750 via Whats App. There will be a small chocolate prize for each completed map.

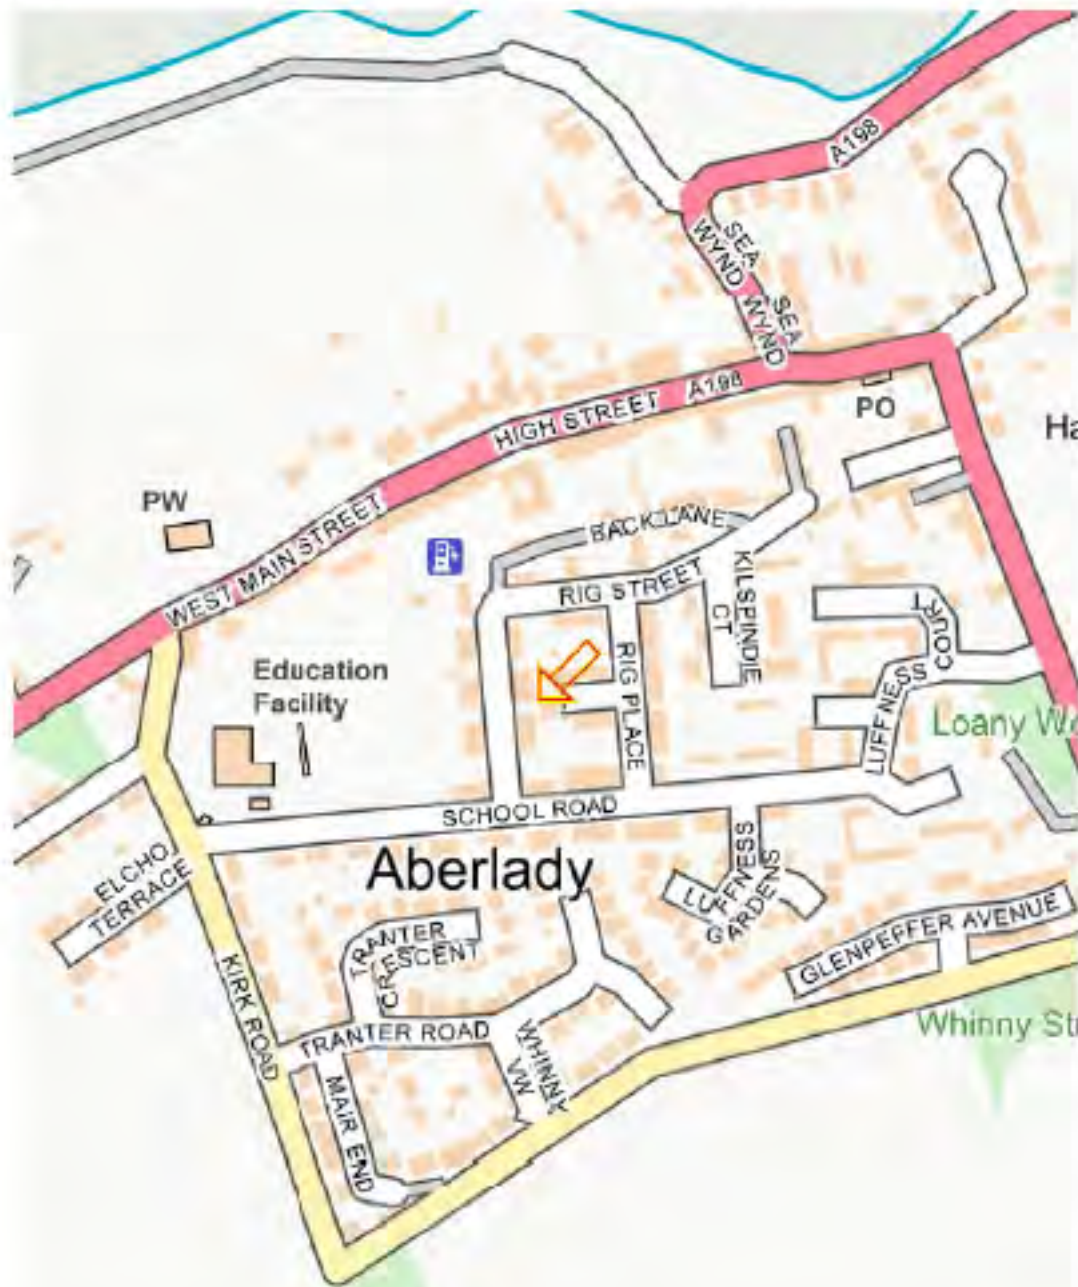

Please remember to adhere to the current Covid-19 rules while you search.

Happy Eggsploring!

Please place the numbers for each egg on here
